Papworth provides to our customers a totally integrated service from conceptual layout through to manufacture, installation and aftercare.

Our experienced sales design office prepare plans and layouts using our state of the art CAD facility and are supported by a highly skilled operations team that manage all aspects of the project from order placement to time of final handover.

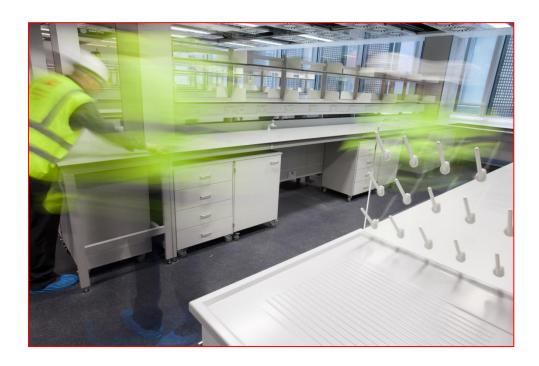

PAPWORTH FURNITURE LIMITED

Papworth Furniture has long been associated with major contractors and architects involved in the development of new buildings for schools in the UK. From small extensions, refurbishments, to complete schools, PFI, BSF, Academy and 'Design and Build' solutions. Listed on this page are some of the companies we have supply agreements established.

Through our expertise and experience we are able to create designs and innovated furniture solutions that are of a high quality and represent excellent value for money.

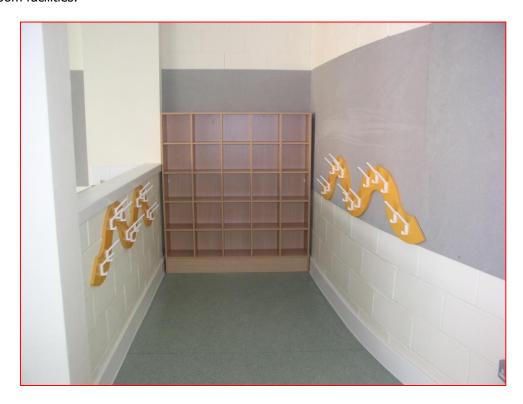

Working with end user's, contractors, architects or designers, we provide a flexible, professional approach, with the attention to detail needed to ensure our products and services are successfully co-coordinated and integrated into any project along with other trades and services.

Nursery & Primary School

At Papworth we understand the need to provide a safe, practical, yet exciting environment for both children and staff to utilize. Our design team will use colour, texture and shape to create specific areas within the classroom for all the days' activities. These could include educational ICT, wet and dry areas, modular, mobile storage and work solutions for all age-groups, along with changing and cloakroom facilities.

Secondary, Academy & Further Education

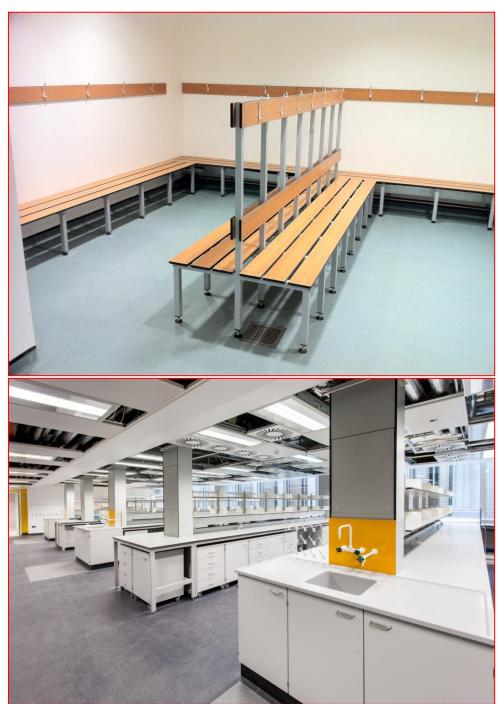

We work closely with our clients and suppliers to provide purpose-built, Stimulating educational facilities that can be used by the Whole community actively encouraging study and learning.

We incorporate all the requirements of the latest DDA regulations to ensure all students have the opportunity to achieve their Potential in whatever aspect of the curriculum they are engaged in, including Science, Food Technology, Art, CDT and Information

Technology. Using modern materials and finishes we are able to Design and install fitted and loose furniture solutions for all main teaching areas for curriculum delivery, along with admin, office, store and reception facilities.
